

WINGS2009 is an international experience for Guides and Scouts from all around the world. It will be held in the Royal County of Berkshire in the UK for a week starting 1 August 2009. All who attend will have fun, be challenged, have adventures and make new friendships that will last.

WINGS2009 will have all the great favourites from WINGS2003, WINGS'98 and WINGS'93 and some spectacular new ideas to match the start of the second hundred years of Scouting and Guiding.
